2024

McLaren Districts Riding Club (MDRC) is a small, friendly club established in 1981. We aim to provide a safe space for members and their horses to meet for clinics, social events, and competitions. We have strong attendance at many of our events, with most of our members living in the McLaren Vale district, and visitors and non-members coming from further afield.

Our sponsorship packages are valid for twelve months.

To confirm your sponsorship package please complete the attached form and return to [mdrc.entries@gmail.com](mailto:mdrc.entries@gmail.com)

Thank you for your support of MDRC and we look forward to partnering with you throughout the year.
